Subject: **SOTONSAFE – WEDNESDAY 4 NOVEMBER PRESENTATION**

David

Thank you for your instruction for me to prepare for and present on behalf of the Solent Coalition Against Nuclear Ships (SCANS) to the Public Meeting convened by Southampton City Council on Wednesday 4 November 2009.

I agree that my presentation should centre around and support SCANS's concerns over the reduction of the REPPIR countermeasure zone.

With that objective I have asked Juliet McBride to contact your members inviting them to feed their comments to me directly and, as appropriate, I will endeavour to take these into account. I would also appreciate a general SCANS policy statement from you.

I have and will continue to forward copy correspondence to you directly – please let me know if you are to be the single point contact and, if not, nominate the appropriate individual.

As time permits I will prepare a written statement for circulation at the meeting. I will also prepare a flyer for your pre-meeting publicity purposes but please let me have a final date by which this is needed.

So far as my fees are concerned, I expect SCANS to meet my essential expenses for travel, etc.,
