To: **Graham Wyeth** Emergency Planning & Business Continuity Manager M3185-A13
From: **John H Large** 28 October 2009
Cc: David Hoadley – SCANS

Subject: **SOTONSAFE – WEDNESDAY 4 NOVEMBER PRESENTATION**

Further to my previous communications M3185-A3 and M3185-A12 I ask that:

- 1) Since I will be travelling to Southampton by car and carrying computing and projection equipment, could the City Council provide a car parking space for the duration of the meeting – SCANS will willingly meet a reasonable parking fee?
- 2) I note that the prior to the public meeting the SotonSafe Emergency Planning Group (SEPG), or its sub-group, is to convene.

So that there can be no misunderstanding about my role in representing the interests of SCANS, and if the need arises, I ask that you refer those SEPG members present to the Coalition's instructions to Large & Associates (M3185-A1 accessible at <http://www.largeassociates.com/cz3185.htm>).

Should, thereafter, either myself (John Large), Large & Associates and/of SCANS or, indeed, if any of these parties be alluded to, then I ask that the appropriate form of record be taken of the SEPG discussion so that I might retrieve such via the Freedom of Information Act 2000.

Mr Hoadley will confirm my authority to make this request so far as it relates to the Coalition and its members.
