Subject: **SOTONSAFE – WEDNESDAY 4 NOVEMBER PRESENTATION**

Thank you for your e-mail and attached response to my request M3185-A2, A5, A9 and A15.

I am disappointed that you did not respond, for the sake of clarity, individually to each of my itemised requests as I asked; it seems to me that a number of requests have not been addressed at all; certain of the answers are largely or include an element of opinion; and where I have requested copies of specific information you have, apparently, provided a summary instead.

Nevertheless, in fear of being reviled as a grumpy whinge I am very appreciate of the informative nature of your reply and the facility that you have given to expediting its completion.
